

Dear H.F.A. Parents and Students:

The Holy Family Academy Students of Service is sponsoring a Christmas Green and Red Day on Wednesday, December 21, 2022. In order for students to dress down in red and green Students of Service is hoping to raise a school-wide collection amount of \$300.00 through your generous donations. The proceeds will benefit the United Children's Home on West Madison Avenue, West Hazleton, which experienced a fire on October 20. The United Children's Home, as part of United Charities Inc. of Hazleton, gives many young males a place to call home.

Monetary donations are asked to be given to your child's homeroom teacher from Monday, December 5 to Monday, December 19. You may or may not give a donation and the amount given is determined by what you, the parent can afford, especially with the Christmas Season upon us. As long as we raise a school-wide total of \$300.00 we are good to go for a school-wide green and red dress down day.

Thank you for your generosity. Together, we are making a difference in the lives of the individuals in our community. May God bless you for your generosity.

Sincerely yours in Christ,
Miss Pauline,
Ms. Attore,
& the Students of Service.
