PTO NEWSLETTER

NOVEMBER 2024

PRESIDENT'S MESSAGE

A big thank you to all who helped with our recent fundraisers! We know there's been a lot happening in a short amount of time, and we're reviewing everything to figure out which ones work best so we can cut back on those that aren't as effective.

The Calendar Fundraiser just wrapped up, and it's been our most successful one so far with very little effort! We've also heard your feedback about adding prizes for donors and will make sure to include that in the next calendar fundraiser.

Our recent PTO meeting went great, and we got some awesome feedback on events, fundraisers, and field trips. We can't wait for the next meeting to keep these conversations going.

We're always looking for volunteers to help out at school events. If you'd like to get involved, please make sure your clearances are submitted so you can join us and spend time with your child at school events. - Laura
