

Coat, Coats, and More Coats!!!

The Students of Service Club (S.O.S.) once again will be collecting slightly used and clean winter coats which are desperately needed for the foster children of Brandon's Forever Home, ages birth to 20.

Now that Fall has arrived, we are sure you started to clean and organize your closets just as we have. As you are cleaning, place any unwanted winter coats you find in a bag and send to your child's homeroom teacher, between October 7th to November 1st. Once again any slightly used, clean winter coat sizes newborn to adult will be greatly appreciated to keep these foster children warm.

Thank you and God Bless,

Miss Pauline

Mrs. Santiago

Mrs. Mc Alarney
