Catholic Schools Week

January 26–30th

Catholic Schools Week is a special time to celebrate the heart of our mission—faith, excellence, and service. Each day's theme reflects who we are as a Catholic community: celebrating our parish, honoring families, appreciating students, thanking teachers, and serving others.

Thursday, January 29th is about Celebrating Vocations and we need your help!

CAREER

We're looking for volunteers for Career Day!

If you or a family member would like to share their career with our students, please complete the interest form below. Spots are limited, and selected speakers will be notified directly with their assigned time frame.

We appreciate your willingness to inspire our students!
