

# Holy Family Academy

## Grandparents Club

There was an issue with the publisher and the website for our cookbook and because of that, the cookbook would not have been ready in time for Christmas this year. We have decided to wait until next year to have it published and it should be available by Easter time.

Since we have the extra time, we are going to continue to accept recipes up until January 31, 2019, so please send in any additional recipes you would like to include in our book. We have a terrific array of recipes but could use some more! Please print any recipe on a piece of paper or send in a photocopy of your recipe card. You can also submit any recipes to [grandparentsclubhfa@gmail.com](mailto:grandparentsclubhfa@gmail.com) as well.

We all thank you for your patience and understanding and for helping to make our school cookbook a great success!!
