

# Grandparents Club

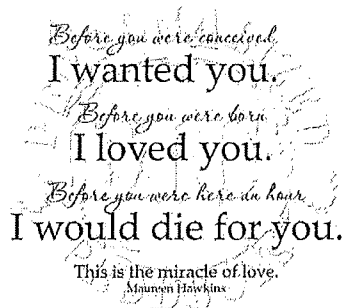

## Important Dates Coming Up

Our first important date will be for our first meeting of the Grandparents Club for the 2019-2020 school year. It will be held on Monday, September 16, 2019 at 6:30 pm in the cafeteria.

We will be discussing some upcoming activities that are planned by the PTO and also some activities that we would like to start implementing throughout the school year. One idea is to recognize some important saints throughout the year with the help of Deacon Roman.

We will also be discussing some dates to continue selling our cookbooks.

We hope everyone can make it and look forward to seeing you then!

Our second important date is Friday, September 27, 2019. Please join our grandchildren for the Grandparents Liturgy at 1:00 pm. This is a beautiful mass dedicated to all of us! Children from all grades are selected for readings and gift bearers. We also have special songs by the folk group and bell choir. We hope to see you there!
