

AAA School Safety Patrol Program

Dear Parents/Guardians:

The American Automobile Association has been the sole supporter of the AAA School Safety Patrol program for over 90 years. The primary purpose of the program is to enhance the safety of students walking to and from school. The AAA School Safety Patrol also promotes the development of leadership skills and good citizenship qualities in students. In the AAA Mid-Atlantic service area, there are over 93,000 AAA School Safety Patrols.

Schools utilize Safety Patrols in many different ways. Holy Family Academy's Safety Patrol program utilizes their patrollers as follows:

- Hall and stairwell monitoring
- Assist at crosswalks going to and from liturgy
- Peer leaders throughout the school
- Positive peer role-models
- Assist in the School Safety program as directed

Mr. Tribbet, Mr. Kostic and Mr. Roslevich serve as the Safety Patrol Committee. The Committee is responsible for the effectiveness and value of the safety patrol by guiding day-to-day activities such as scheduling, problem solving, and directly overseeing the patrols while at their assignments.

HFA School Safety Patrol candidates are selected on the following criteria:
