

WE ASK FOR YOUR HELP!

Once again, we have been made aware of a need in our community. This time it is for the newest members of our area, God's precious little ones. Some of these babies come into families that are truly struggling. Catholic Social Services offers its assistance and we can too! Through Lent, the Students of Service Club will be holding a "BABY SHOWER" in order to provide some basic items for the cause. We have been asked to provide the following: infant onesies, receiving blankets, baby sleepers up to 6 months old, newborn diapers, baby wipes, and baby bottles. Baby shampoo, lotion, and baby bath liquid will also be accepted. Please try to help with any of the items mentioned as a Lenten act of giving. All items must be in by Friday, April 3rd. God bless you for your sacrifice.

Thank you,
Ms Shaw
