

# *Students of Service News*

*Although things are very different this year, our school family must still find ways to be of service to others.*

*With that in mind, our fall project as a school will be to help our homeless brothers and sisters. We can't take collections of items as in past years but we can contribute some financial assistance to our Hazleton Homeless Shelter.*

*We ask that each student contribute whatever you can. Our school family goal is \$500. If we can meet this goal, we will have a special dress down day to celebrate.*

*St. Theresa is quoted as saying, "do little things, with great love". God bless each of you in advance. Please have your contributions given to your home room teachers by November 3.*

*Thank you*
