

Students of Service News

The Students of Service of Holy Family Academy are dedicated to reaching out to the needs of our community. We have some friends directly down the street that have requested our help recently.

The Brandon Forever Home, designed to help foster children ages, birth to 20, are in need of coats for the winter. If each child in our school family could donate one or more clean, and slightly- used coats, we could help over 200 children that may have had no coat to keep them warm for the winter.

Please take your coats to the Hazleton State Police barracks in Valmont of West Hazelton and they will be sure to deliver them to the Brandon Home. We cannot bring them to school this year due to the virus. The coat drive will run until November 15th. Please help us in this “campaign for coats”.

Thank you and God bless you ,

Ms. Shaw

Ms. Pauline
