

Art is the Great Integrator!

Each week we will create artwork with connections to other areas of study.

Your child will receive a hands-on artistic approach to learning about the world we live in.

Every week we will do different projects, you may register for as many weeks as fits in your schedule.

No two weeks are the same!!

Course Selection

Courses are filled on a first come first serve basis. We will attempt to get your child in their first choice. There are different activities each week, depending on the instructors and the weekly themes.

2-D

Two dimensional Art covers: Drawing, Painting, Design, Printmaking. Mediums may include pencils, paints, construction and specialty papers, pastels, markers, crayon, linoleum, ink, and much more.

3-D

Three Dimensional Art includes: Functional Pottery and Sculpture: Mediums include ceramics, oil or self drying clay, paper mache, plaster, found objects, card board, wood, wire, soap and much more.

CRAFTS

Many types of crafts will be explored throughout the summer including: Fiber Art (tie dyeing, weaving, needle crafts, basketry, mosaics, leather tooling, jewelry, puppetry. Mediums will include dyes, yarns, reed, tiles, grout, wire, beads, leather, fabric, wood, and styrofoam.

DIGITAL ARTS

Will cover many topics including photography, cartooning, graphic design, animation, 3-D printing, and Virtual Reality. Mediums will include cameras, computers, different software programs, and printers.
