

Souper Sunday

God warms our hearts with His love.

Get Ready...

Students of Service Club (SOS) are serving up some good, old-fashioned warmth with this "souper" fundraiser.

Get Set...

There are many people in the world-and in our town-who may be hungry and feel left off the "team". As Christians, we're part of Jesus' team. He calls us to share our blessings with others. So as Students of Service, we ask that in conjunction with Super Bowl Sunday and in the interest of raising donations for the local Catholic Social Service that you participate in the following fundraiser.

Get Ready...

From January 29th to February 4th, our soup collection will take place. In the past our contributions have been great! Let's keep the tradition going. Please be generous and help the Students of Service score a "touchdown" for our school. We ask that the soup can's expiration date has not expired and that you please try to donate cans of soup that are popular among families. God bless you for your willingness to help the less fortunate.
